

DO OR DIE!

Professional-Patriots with lucrative websites have yet to publicly announce their Goal, set long and short-term objectives, define strategy and tactics; they don't have a political party, a political candidate, or national organization, much less a militia to confront the well known enemy. The Pro's function, it appears, is to educate the sheep; frighten the sheep; collect donations from the sheep, which the Pros deposit in their personal accounts. But killing those who are killing you - is NEVER considered.

And the informed?

There are many, many informed patriots such as YOU who know the score ! The question then is why don't the INFORMED, such as YOU, take action? If YOU won't take action, if the INFORMED don't take action who the hell will - certainly not the UN-informed.

Moving to Montana is a cop-out. The ENEMY is at the FED, the networks, Wall Street, Congress; at "Holocaust" memorials, at synagogues, not in some sylvan mountain retreat.

FIGHT OR DIE:

"Knowing is not enough; we must apply. Willing is not enough; WE MUST DO."

Johann Wolfgang von Goethe (1749-1832)

Speaking the truth is not enough:

"ACTIONS SPEAK LOUDER THAN WORDS !"
